Quote of the day; "The works of Christ not only declared Him to be the Messiah, but showed in what manner His kingdom was to be established. To John was opened the same truth that had come to Elijah in the desert, when 'a great and strong wind rent the mountains, and brake in pieces the rocks before the Lord; but the Lord was not in the wind: and after the wind an earthquake; but the Lord was not in the earthquake: and after the earthquake a fire; but the Lord was not in the fire:' and after the fire, God spoke to the prophet by 'a still small voice.' 1 Kings 19:11, 12. So Jesus was to do His work, not with the clash of arms and the overturning of thrones and kingdoms, but through speaking to the hearts of men by a life of mercy and self-sacrifice." {DA 217.2}
